

**TASK 2: Some short questions after you have seen the video, aimed to think and talk about it.**

**“GOOGLE'S DRIVERLESS CAR” Sebastian Thrun**

*Who is Sebastian Thrun?*

*Which is his first motivation about self-driving cars?*

*When Sebastian came across the idea?*

*It is working, it is safe?*

*Which are the main benefits for users?*

*If a self-driving car cost the same as a normal car, do you think you would buy one?*
