### **TASK 3.1: quizz**

After having watched the video and drawn your color Wheel, it is time to cement some vocabulary and expressions. To do that go to the socrative webpabe (<http://www.socrative.com>). Remember you have already signed up. Once you log in join the room **XUHTNGZQ** and start the quizz.

We are going to do the quizz at the same time and we will comment the answers.
