

WORK ASSIGNMENT LESSON 1

STAGE 1

Watch the video and answer the questions in your notebook related to it. Mind you have the transcription of the video to help you understand it and the multidict dictionaries.

STAGE 2

Click on *Mechanisms quizlet*, revise cards vocabulary and practise with tests.

STAGE 3

Click on *Activity* and find out the mechanisms that form part of a simple machine.

STAGE 4

Now put into practise your knowledge and play the *Simple machines game*.
